

# Casement & Awning Windows

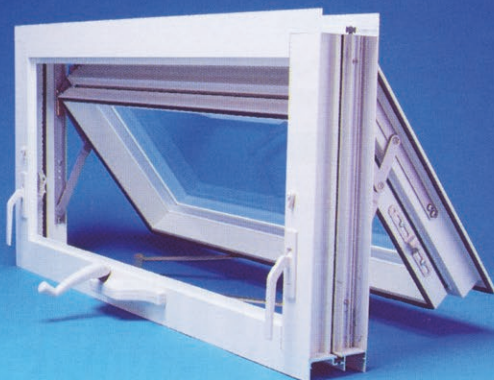

**THERMAL**  
WINDOWS, INC.

Series 910 Dual casement Window with custom designed arch and sidelites.

## AWNING WINDOWS

Series 925 Projected Awning Window

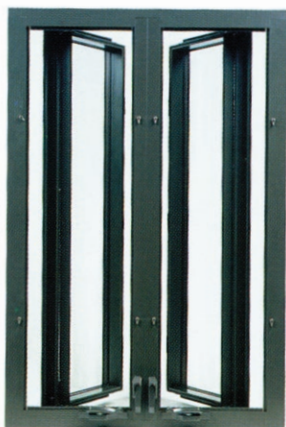

Casement and Awning Windows manufactured by Thermal Windows, Inc. are an innovative combination of superior materials, energy-saving technology, and beautiful styling.

We believe they are...

**AMERICA'S FINEST  
WINDOWS!**

# Beauty, Convenience, Energy-Efficiency and Security

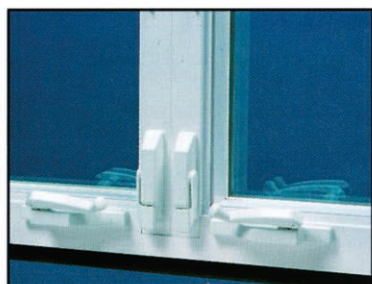

Above: A Series 910 Dual Casement features our "EZ-Clean" hinge system.

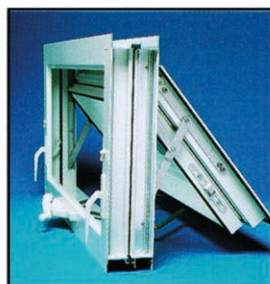

Also available: The Series 900 Single Casement with "EZ-Clean" hinging.

Above: A pair of Series 925 Projected Awning Windows with a picture window and custom-design arch.

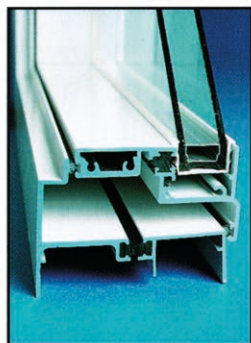

"Fold-Away" Handles

Stainless Steel Hinge

Optimum Air Space

Thermal Barrier

Flush Screens

Multipoint Locks

These beautiful windows are made from strong, durable, maintenance free aluminum, featuring our special polyurethane Thermal Barrier. Separating the interior and exterior surfaces, the barrier dramatically reduces heat loss in the winter and heat gain in the summer.

## Standard Features

- Stainless steel commercial strength hinges
- Unique "EZ-Clean" hinge system for convenient cleaning from inside
- Low profile "Fold-Away" handles minimize interference with curtains and blinds
- Single handle multipoint locks
- Attractive flush mount screens in your choice of aluminum or fiberglass mesh
- Custom manufactured for an exact fit
- 7/8-inch insulated glass for optimum thermal efficiency
- 20 year warranty against seal failure

## Available Options

- Divided lites
- Argon gas fill
- STC sound control glass
- ThermalSafe™ laminated safety glass
- Tinted, obscure or "rain" glass
- Thermal E+ or Thermal Low-E Energy Saver Glass
